The screenshot shows the IntelliJ IDEA website. At the top, there's a navigation bar with 'IntelliJ IDEA' and 'JetBrains IDEs' on the left, and 'Coming in 2024.1', 'What's New', 'Features' (with a dropdown arrow), 'Resources', 'Pricing', and a blue 'Download' button on the right. The main content area has a dark background. It starts with the text 'We're committed to giving back to our wonderful community, which is why IntelliJ IDEA Community Edition is completely free to use'. Below this is the IntelliJ logo (a blue square with 'IJ' in white) followed by 'IntelliJ IDEA Community Edition' in large white text. Underneath that is the tagline 'The IDE for Java and Kotlin enthusiasts'. At the bottom, there's a 'Download' button and a '.exe' button with a dropdown arrow. Below these buttons, it says 'Free, built on open source'.
